

# Alaska Stat. § 17.22.020

Section 17.22.020 - Approval of training programs

- (a) The board shall adopt standards for the approval of a training program for the use of epinephrine auto-injectors.
- (b) The board shall approve an auto-injector training program that meets standards adopted under (a) of this section. The standards must require an epinephrine auto-injector program to provide training in
- (1) techniques on how to recognize symptoms of severe asthmatic or allergic reactions, including anaphylaxis;
  - (2) standards and procedures for the storage of epinephrine auto-injectors and administration of epinephrine using auto-injectors; and
  - (3) emergency follow-up procedures.

(c) [Repealed by 2023 amendment.]
