

# Login Directions to Test.com

1. Enter <http://www.test.com> into your browser window or click on the link from the course home page or the link in the access email sent to you from the WMTC office.
2. Click on the dark brown "Existing client's log in here" button in the center of the home page OR the smaller off-white "Client log in" button in the lower right corner of the home page. Refer to the screen shots below:

The screenshot shows the Test.com homepage. At the top left is the "test.com" logo. To its right are navigation links: "For organizations", "For individuals", "Quick tour", "About test.com", "Help", and "Contact us". Below the logo is a large banner image of a man in a blue shirt looking at a tablet. Text on the banner includes: "create lessons, tests and programs with a custom look in minutes.", "manage thousands of users and thousands of tests with one simple to use application.", and "Sophisticated on-line testing and certification made simple". To the right of the banner is a video player titled "The basics: What is test.com?" with a play button and the text "A very brief overview...". Below the banner is a dark brown navigation bar with the text "Manage your tests and certifications with my test.com" on the left, a button labeled "Existing clients log in here" in the center (circled in pink with an arrow pointing to it), and a button labeled "Try it today? Click here!" on the right. Below the navigation bar are three main content sections: "Clients using our online testing and certification software" (with logos for Amazon.com, Cisco, U.S. Army, Parker, and CareerBuilder), "New software features and program updates" (with sub-sections for "Now in 22 languages", "Our pledge", and "The test.com network"), and "Online testing, training and company news" (with sub-sections for "16 years of proven leadership" and "Test.com awarded a U.S. patent for its innovations."). At the bottom of the page is a footer with the text "Sophisticated on-line testing and certification made simple." and a navigation bar with links: "Home", "For organizations", "For individuals", "Quick tour", "About test.com", "Help", and "Contact us". Below the footer is a copyright notice: "© 2012 Test.com, Inc. | Various trademarks held by their respective owners." In the bottom right corner, there is a button labeled "Client log in" (circled in pink with an arrow pointing to it), a button labeled "Try it today!", and a button labeled "Help".

3. Enter your user login name emailed to you from our office or the email address you registered with into the first window. If one doesn't work, try the other.
4. Enter the password emailed to you from our office into the second window.
5. Enter the account code emailed to you from our office into the third window.  
NOTE: depending on your browser settings you may NOT see the account window the next time you login.

*DO NOT click on the blue "Need to create a new user account?" link.*

**test.com** Sophisticated on-line testing and certification made simple.™

## Log in

In order to proceed, you need to log in. If the organization you're affiliated with is a Test.com customer; but you don't have a Test.com user account - you will first need to create a new user account that contains information such as your name and password. To create a new user account, select the appropriate link under the Log In button below or [click here](#).

Please log in using your username (or email), password, and account code.

**Login Username:**

**Password:**

**Account Code:**
